I/We enclose a non-refundable payment of 10% of the annual tuition amount with this contract as a deposit on the terms of this contract. This tuition deposit will be applied to your tuition payment(s) as described below in the Tuition Payment section.

Tuition Payment

IMS offers the following tuition payment options. Please choose one:

- One Payment – payable on or before 09/01/10. Annual tuition is reduced by 3%. The non-refundable tuition deposit will be deducted from annual tuition amount. If you are enrolling after 9/1/10, the One Payment discount is not available.
 - Ten Monthly Installments - Payable on or before the first of each month, beginning 08/01/10 through 04/01/11. The non-refundable tuition deposit will be applied against the June 2011 tuition payment.
- Parents or guardians assume unconditional responsibility for tuition payments. The undersigned understand(s) and agree(s) that this is a legally binding contract for the annual tuition for said child unless IMS requests the child to withdraw.
 - The only exception to the above term is withdrawal as a result of a life-changing event such as loss of employment, death in the family, or relocation. Should withdrawal occur under these circumstances, the undersigned will be responsible for a minimum of three (3) months tuition obligation from the date of withdrawal. All other withdrawals will be invoiced for the full amount of the contract at the time of withdrawal.
 - Failure to make an installment payment within 30 days of its due date gives IMS the right to declare the entire unpaid balance of the annual tuition immediately due and payable.
 - Should enrollment occur after start of school in September, tuition obligation will be pro rated based upon student’s start date.
 - IMS reserves the right to cancel a student’s enrollment if payments are not made by the tuition due dates.
 - Payments made more than 10 days after the due date are subject to a late charge of \$35 per month to cover added administrative costs. Acceptance by IMS on one occasion of a late payment without assessing a late charge shall not be a waiver of its rights with respect to any other late payments and resulting late charges.
 - In the event that IMS incurs expenses in connection with the enforcement of this contract and/or collection of monies owed under this contract, the undersigned will be responsible for reimbursing IMS for such expenses incurred, including attorney’s fees and costs.
